_____	)	

The Insurance Commissioner of the State of California in his official capacity alleges that:

I

Respondent, CHASE ANTHONY FISCUS, now is and since July 25, 2008, has been licensed by the Insurance Commissioner to act as a fire and casualty broker-agent.

II

On April 3, 2009, in Case No. 2007012755 M A, in the Superior Court of Ventura County, State of California, Respondent was convicted upon a plea of nolo contendere, of graffiti vandalism, a violation of Section 594(b)(2)(a) of the California Penal Code, a misdemeanor. Pursuant to Section 2183.2(b) (6), Title 10, of the California Code of Regulations, said vandalism conviction is substantially related to the qualifications, functions, or duties of an insurance licensee.

III

California Insurance Code Section 1729.2(a), in conjunction with California Insurance Code Section 1729.2(d), requires that an applicant or licensee notify the Commissioner when any of the background information set forth in said section changes after the application has

been submitted or the license has been issued within thirty (30) days of the date the applicant or licensee learns of the change in said background information. California Insurance Code Section 1729.2(c)(2) defines background information as follows:

“ “Background information” means any of the following: a misdemeanor or felony conviction; a filing of felony criminal charges in state or federal court; an administrative action regarding a professional or occupational license; any licensee's discharge or attempt to discharge, in a personal or organizational bankruptcy proceeding, an obligation regarding any insurance premiums or fiduciary funds owed to any company, including a premium finance company, or managing general agent; and any admission, or judicial finding or termination, of fraud, misappropriation or conversion of funds, misrepresentation, or breach of fiduciary duty.”

Respondent failed to notify the Commissioner of Respondent's misdemeanor conviction alleged above in Paragraph II, in violation of the provisions of California Insurance Code Section 1729.2.

#### IV

The facts alleged above in Paragraphs II and III show that it would be against the public interest to permit Respondent to continue transacting insurance in the State of California and constitute grounds for said Insurance Commissioner to suspend or revoke the licenses and licensing rights of Respondent pursuant to the provisions of Sections 1668(b) and 1738 of the California Insurance Code.

#### V

The facts alleged above in Paragraphs II and II show that Respondent is lacking in integrity and constitute grounds for said Insurance Commissioner to suspend or revoke the licenses and licensing rights of Respondent pursuant to the provisions of Sections 1668(e) and 1738

of the California Insurance Code.
